### Introducing Wali and Ariënne:

Ariënne & Wali van der Zwan have been leading workshops in Eastern and Western Europe and beyond for over fifteen years. Both are senior mentors in the Mentor Teachers Guild for the Dances of Universal Peace (MTG) and senior guides in the Sufi Ruhaniat International (SRI). They offer training and have mentees in many EU countries and beyond.

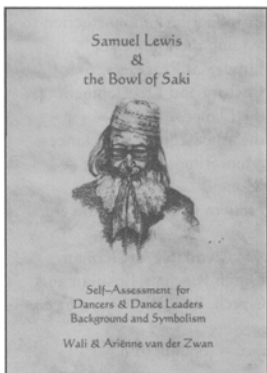

After a professional career in theatre, music & writing (Wali) and occupational therapy (Ariënne), they now are fully serving the Dances and the Sufi Path. Ariënne and Wali have two grown up children and live in their house Khankah Samark in Germany.

Their style of leading combines strength with beauty, depth with lightness, joy with energy, clarity & focus with ease. Their co-teaching allows for interweaving of masculine and feminine energies.

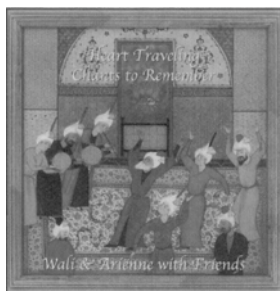

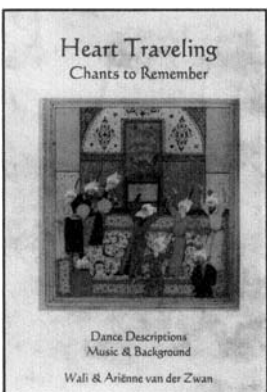

Ariënne and Wali follow the Sufi Path for their spiritual depth, background and support and are Sheika and Khalif in the Ruhaniat, the Sufi Order of Samuel Lewis and Inayat Khan.
